Thank you for your **Repair** order.

Here's a reminder of what to do next, please read carefully:

1. Place a copy of this repair order form with the phone and battery in a well padded envelope or small box and don't forget to keep a copy for your own receipt. Please remember to keep your Sim Card.
2. Please note that we **do not** require chargers, or any other accessories like headsets and memory cards.
3. Please remember to back-up your data (numbers, pictures, Music etc) to your PC or Memory Card if possible as we cannot guarantee that your data will be saved during the repair process, in some cases your data may have already been lost due to the nature of the fault!
4. We recommend sending the phone via Royal Mail either Recorded Delivery for a phone worth less than £41 or Special Delivery if it's worth more.
5. We charge £3 Recorded Delivery or £6 Special Delivery to return single items, please specify which you require. We will call you for payment once the repair is complete, or to save time please enclose a cheque made payable to "MPRO" for one of the above amounts.

Please send to the FREEPOST address below and please bear in mind only the postage is paid for, not Recorded or Special Delivery, which is an optional extra for you to make sure it's secured / insured. If you send without security you do so at your own risk! If you have any questions or you are unsure of what to do, please call us on 0845 833 9995 for advice.
